

PPS-I 2026 call

Submission Form

Project title (8 words) *

Project start date *

Project end date *

Contact details of the first contact person for ChemistryNL. (all correspondence regarding the application is send to this person)

Initials *

First name *

Last name *

E-mailaddress *

Telephone number *

Organization name *

Address *

Postal code *

City *

Bank account details (for subsidy payment)

IBAN *

BIC number bank *

BIC number bank *

Name account holder *

Project leader (researcher at a Dutch knowledge institute)

Initials *

First name *

Surname *

E-mailaddress *

Telephone number *

Project partners

Name consortium partner organisations separated by commas *

Call theme

Select one of the call themes *

- ☐ Theme 1 - Safe alternatives for substances of very high concern (SVHCs) in existing applications
- ☐ Theme 2 - Towards AI Readiness for the Dutch Chemical Processing Industry
- ☐ Theme 3 - Sustainable Chemistry: Enabling Health, Food Security, and Packaging
- ☐ Theme 4 - Transforming the Dutch Chemical Industry towards Sustainable Production

Project budget and requested PPS-I subsidy

Total project budget € (Note: only use numbers, don't use points or comma's) *

Total requested PPS-I subsidy in € (Note: only use numbers, don't use points or comma's) *

Public project summary to be published on the ChemistryNL website (maximum 1500 characters) *

Fit with Dutch Innovation policies / Contribution to the innovation missions and agenda's:

Mission and innovation agenda (choice 1 required) *

Mission and innovation agenda (choice 1 required)

Mission and innovation agenda (choice 2 optional)

The project falls with the following Key Technologies clusters (optional):

Key technology 1 (optional if you have chosen 'Key technologies' in the previous questions)

Key technology 2 (optional if you have chosen 'Key technologies' in the previous questions)

Upload documents

Upload project plan (PDF, Annex C, max.10 MB). (use the format for PPS-I 2026 provided on the call page) *

Budget form (Excel, Annex D, max.10 MB). (use the format for PPS-I 2026 provided on the call page) *

SME Documents. In case of more than 3 SMEs in the consortium please contact ChemistryNL at aanvragen@chemistry.nl.

SME declarations (for each SME partner) ([link to RVO form](#))

SME declarations (for each SME partner) ([link to RVO form](#))

SME declarations (for each SME partner) ([link to RVO form](#))

Declaration and decision tree non-OIM (for each SME partner) ([link to RVO form](#))

Declaration and decision tree non-OIM (for each SME partner) ([link to RVO form](#))

Declaration and decision tree non-OIM (for each SME partner) ([link to RVO form](#))

☐ I hereby give ChemistryNL the permission to store the data from this form and the proposal documents. *
